The star of the bedroom

As the focal point of any sleep space, your bed needs to have main character energy – think an inviting design with an air of comfort. Which one would you choose?

'P26' bed by Marco Boga, from approx £4,810, Gallotti & Radice (gallottiradice.it)

'Platform' bed frame, from approx £3,350, Rik Frans Jansen (rikfransjansen.nl)

'Nadir' bed by Draga & Aurel, price on application, Baxter (baxter.it)

◀ This is a bed that is not just for sleeping. With its generously upholstered side that acts like a comfortable bench, this is a platform for wellbeing at any time of the day, designed for relaxation

▶ Balance and tension are often explored in Milan-based design studio NM3's work. Here, that can be seen in the lacquered polygonal form that rests on Villanova stone bases

'Stealth' bed by NM3, price on application, Visionnaire (visionnaire-home.com)

'Baggy Bed' by Glenn Martens in collaboration with Controvento, approx £6,450, Diesel Living x Moroso (moroso.it)
