Coffee table with bright stainless steel top and legs handmade with 8mm extralight glass slats fused and arranged at different heights and with different sizes. Metal parts in bright stainless steel.
As these are handcrafted products, the measurements may vary due to the fusion of the glass.

NEW

Available version with 15mm bright painted glass top as per samples or with wooden top covered by aluminium leaf "Saturno Siderale" applied by hand with an exclusive treatment.
Also available handmade legs with glass slats in amethyst and pearl grey colors.

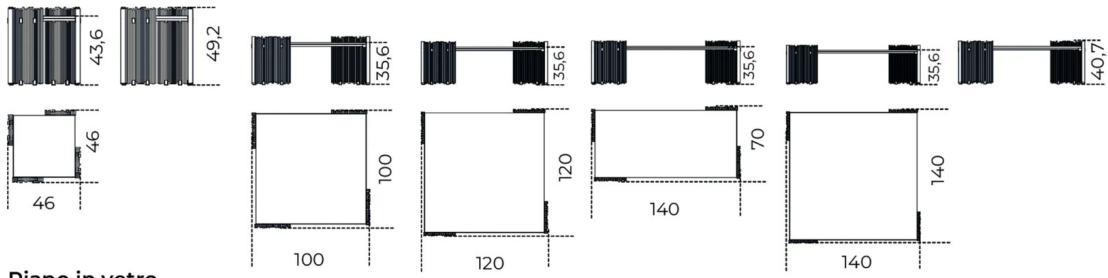

Cm (L x P x H)
