Designed with Asian influence, this desk was created to fit easily into a variety of spaces. *Desk COME*, price upon request, liaigre.com

This handblown glass pendant light was designed for spaces with high ceilings. *Jolie pendant light*, price upon request, by Gallotti&Radice at federicobiasi.com

"My must-have item for a great home office is a dedicated space to recharge. I love the comfort and classic silhouette of a Ligne Roset Togo lounge chair. Whenever I'm feeling stuck or in need of a creative refresh, having a place to step away from my desk, meditate and organize my thoughts is important for improving focus and productivity." *Fireside chair Togo*, \$3,330, *Ligne Roset, La Jolla, ligne-roset.com*

"I also love a beautiful decanter—it's a simple yet sophisticated way to elevate any workspace and can be filled with cucumber water (or something more spirited) for refreshment." *Decant decanter set*, \$490, by *Arteriors at blackroosterdecor.com*

"The easiest way to transform the vibe in your home office is with music. The right playlist paired with a well-designed sound system can create the perfect sonic atmosphere to align my state of mind." *Beoplay A9 in bronze tone*, \$3,250, *Bang & Olufsen, La Jolla, bang-olufsen.com*

There is a mix of taupe, cream and soft gray in this versatile style. *Herringbone Faber European oak flooring*, price upon request, *Duchateau, duchateau.com*
